## **Professional, Friendly, Punctual & Problem Solver**

Having worked in Audio for 6 years, I have experience from: Narrative, Commercial, Live TV, News, Talking Heads, Live Music & Talking Heads Interviews.

I'm always a friendly and positive force on set, who is adaptable to fit the needs of the relevant departments without compromising perfect audio.

This is best represented by my years of repeat clients as well as many more added every year.

### **Notable Experience**

Rigging towed cars with microphones for great sounding dialogue.

Live music recording with Brit rising star winner Holly Humberstone.

Sound mixer on a musical with live performances including thump tracks and ear worms.

Live TV Pilot with 8 people mic'd and hidden from view.

Puma 'Kings' advertisement.

Feature length films experience.
